

# TECHNICAL DATA SHEET

## MARCO YUKON ICE MELTER

### PRODUCT DESCRIPTION

MARCO YUKON MC ice melter Melter is a combination of rock salt and calcium chloride generating heat on contact for maximum results in melting snow or ice on steps, sidewalks and driveways in the most extreme conditions.

### TECHNICAL CHARACTERISTICS

- Melts ice and snow on steps, sidewalks and driveways.
- ULTRA RAPID MELTING ACTION.
- Effective in extreme conditions to  $-30^{\circ}\text{C}$  /  $-22^{\circ}\text{F}$ .
- Gentle on the environment if used according to the instructions.

### DIRECTIONS

Apply product at a rate of 50 g per  $\text{m}^2$  (approx. 1 lb./ 100  $\text{ft}^2$  . Do not exceed 1 kg/10  $\text{m}^2$  (2 lb. /100  $\text{pi}^2$ ).

### CAUTION

- Keep out of reach of children and domestic animals. May be harmful if swallowed. Avoid contact with your eyes. Wash hands after use. We recommend using this product on good quality, air-entrained concrete for cold weather climate as specified by the Portland Cement Association.
- The action of melting snow and ice increases the frequency of freeze/thaw cycles which affect all concrete surfaces. Some poor quality surfaces may not withstand the stress associated with these cycles.
- Due to the irregularity and inconstancy of finish and porosity; the use of this Ice Melter may present risks of surface spalling. Use of this Marco Ice Melter is done at user's risk.
- Potential surface damage will be decreased by removing slush and excess Ice Melter promptly

### PACKAGING

5.44 (12 lb), 10 (22 lb) and 20 Kg (44 lb).

### STORAGE

Close and seal open bag or container tightly. Store in a dry area

### WARRANTY

Sable Marco's responsibility is limited to the replacement of the product. Further, Sable Marco Inc., has no control over the use or application of this product. Due to the irregularities and inconsistencies present on any concrete surface, the manufacturer or seller offers no warranty expressed or implied concerning the use of this product. User will assume all risk or loss following the application or use of this product. Proof of purchase will be required for all claims.
